2018 Turner Ashby High School Ecology Tree and Shrub Sale

***Please Post Mark Orders by:
January 24, 2018***

Trees must be picked up and planted within one week of scheduled pick up dates. Orders not picked up or planted within this time will be canceled with no refund.

The Turner Ashby High School Ecology class is offering a variety of tree and shrub species for 2018. The tree sale gives the community the opportunity to purchase smaller quantities of seedlings at a reasonable bulk price.

Orders are scheduled for pick up from the TAHS Ag Dept:

Thursday March 22, 2018 from 12 pm — 4 pm

Friday March 23, 2018 from 12 pm — 4 pm

Saturday March 24, 2018 from 8 am — 12 pm

If these dates change, you will be notified by phone or email. To ensure a high rate of seedling survival, please pick up your orders as soon as possible.

QUANTITIES ARE LIMITED, ORDER EARLY!

Only prepaid orders will be processed.

Order online at svswcd.org/treesale

Please make checks payable to Turner Ashby High School.
For further information, contact Turner Ashby High School at (540) 828-2008 and leave a message, or email cjwheelbarger@rockingham.k12.va.us

Helpful Planting Tips

- Plant tree within 1 week of pick up
- Planting depth varies on root wad length
- Loosen soil beneath root wad
- Fully cover roots with soil
- Water weekly

Pick Up Days at TAHS Ag Dept

Thursday March 22, 2018 from 12 pm — 4 pm
 Friday March 23, 2018 from 12 pm — 4 pm
 Saturday March 24, 2018 from 8 am — 12 pm

The Ag Dept. is located on the northside of Turner Ashby High School, just adjacent to the football field. Look for the Tree Sale Signs. Go through the gated area towards the greenhouse.

Special Offers

Tree Tube Bundle - 5 Kits for \$30

Each kit includes a 4 Foot Tubex tree tube with a visapore mat, an oak stake, four metal staples, and a mesh net. The tree tubes protect trees from animals, wind, and chemical sprays. The shelters also provide a greenhouse environment which promotes seedling growth. Studies have shown that some trees may grow three times faster for the first five years, with the use of the tree tube. Tree tubes are not recommended for conifers.

Evergreen Bundle - \$20 each

A pack of 20 trees including 4 different species to maintain greenery, privacy, and serve as a windbreak year round. *Bundle includes Eastern White Pine, Norway Spruce, Shortleaf Pine, and Virginia Pine.*

Fall Color Bundle - \$35 each

A pack of 20 trees including 4 different species to establish beautiful fall color on your property.

Bundle includes Red Maple, Sugar Maple, White Oak, and Yellow Poplar.

Homeowner Bundle - \$20 each

A pack of 10 trees including 4 different species perfect for a compact yard needing color, shade, and pollinators. *Bundle includes Butterfly Bush (2), Lilac (2), Redud (3), White Dogwood (3).*

Pollinator Bundle - \$35 each

A pack of 20 trees including 4 different species to provide attractive flowers to local pollinator species. *Bundle includes Black Cherry, Butterfly Bush, Lilac, and White Dogwood.*

Riparian Bundle - \$35 each

A pack of 20 trees including 4 different species to establish a buffer along a body of water for streambank stabilization, shade, and water filtration.

Bundle includes Red Maple, Shortleaf Pine, Sycamore, and Winterberry.

Wildlife Bundle - \$35 each

A pack of 20 trees including 4 different species to provide a diverse food source for local wildlife. *Bundle includes Allegheny Chinkapin, Domestic Apple, Northern Red Oak, and Persimmon.*

The Turner Ashby Ecology Class is proud to conduct the 14th Annual Tree Sale in partnership with the Shenandoah Valley Soil & Water Conservation District. The sale is completely student organized and conducted. All proceeds from this sale directly support student field experiences with the Chesapeake Bay Foundation at their Smith Island Education Center. Thank you for your continued support of our students.
